

Hello to our Members,

We are OPEN for business. It will not be the big party I was hoping for but we will be open for food and drinks tomorrow.

The Qld Govt has brought forward their easing of restrictions and we can now serve drinks without having a meal. This has caught us out a little, as we were expecting a 10 July opening. However, we will be open tomorrow to serve what we have. Supply is limited but the order is due to arrive this afternoon. Fingers crossed.

If you wish to have a drink in the club, we need to comply with the Industry COVID Safe Plan general requirements. Please adhere to the following:

- 20 person maximum in designated areas. We have two designated areas, Inside and Outside the clubhouse. The tables inside are set up as 5 tables for 4 people. Please refrain from moving the tables or chairs. They are setup to comply with the social distancing rules.
- Alcohol can only be served when patrons are seated. Our staff will provide table service. This will be different for all of us so please be patient with the staff. We will accommodate your food and drink requests as best we can.
- There is only one entrance and this is from the front of the clubhouse. Please exit via the second door or via the Restroom Facilities exit.
- All patrons must sign a register at the entrance with name, address, and mobile phone number before they can be served. We are seeking clarification if this is necessary if you have the Govt Coronavirus App installed on your phone. We encourage all members to download the Coronavirus app.
- Patrons outside will be asked to sign the register before they can be served. Please assist with this.
- No bar service. Remember, you need to be seated to be served food or drink.

Once again we would like to encourage EFTPOS and not cash. The best method of payment is to add credit to your membership card and use that for all transactions. This will add bonus points to your account which can be redeemed later. Ask our friendly staff for more information if you are unsure.

At this stage, we are only opening on Saturday from 10.00am to 2.00pm. We plan to open fully on Wednesday under the Industry COVID Safe Plan requirements. This will give us more time to stock up our food and drinks.

I would like to thank all our members for complying with the golf course restrictions. We now have a new set of guidelines we need to follow to keep our clubhouse open.

Please come and talk to me if you have any questions, comment or suggestions tomorrow. Our staff will be working very hard trying to follow these new guidelines. I would like to ask our members to be patient during this transition stage.

Thank you and happy golfing.
