Drinks Cart

Unfortunately, the alcohol laws still prohibit alcohol on the course. our drinks cart will be back in operation this weekend selling drinks of the non-alcoholic kind.

Clubhouse Operation

We are open for food and drinks in the clubhouse, but we are still operating under the COVID-19 Safe Plan. Remember, you must be seated to be served as there is no service allowed from the bar and please sign the register when you enter. We still encourage the use of EFTPOS for payment or putting credit onto your membership card.

Club Cook

It was very unfortunate that Adam decided to leave us and look for another venture. This means we have an opportunity for a Club Cook. If you or you know someone that may be interested in a Casual Cook position with the club, please contact me at the clubhouse.

Private Cart Shed

Work will begin shortly on our new Private Cart Shed. There will be space for 20 private golf carts in the new shed. There are still some spaces available. If you are interested parking your cart on course, please contact me at the club for the details.

I look forward to catching up with all our members at the club. Come and say hello and let me know if you have any suggestions to keep improving our club.

Thank you and happy golfing.
