MEMBERS INFORMATION

If you are fortunate enough to score a Hole in One during a competition round, please hand your golf ball to the clubhouse bar staff.

You will receive a hole in one trophy at the next trophy presentation.

Monthly Medal winners can collect their medals each month from the clubhouse bar. Medals are awarded to the winner of each Division A, B, C and Ladies.

All players are asked to respect the playing rights of committee members whilst they are playing by refraining from approaching them about issues not game related. Concerns or issues may be addressed off course and the Suggestions Book is always accessible at the clubhouse bar.

Wolston Park Golf Club offers a fleet of petrol carts for hire. We require ALL hirers to respect the course by adhering to the rules of use, including staying on cart paths wherever possible, observing and abiding by directional signs, ropes and staying 10 meters from tees and greens. We also ask if you observe others not observing these rules, you inform club or pro shop staff who can address these rules personally with the offenders.

If your Golf Link card is damaged or lost, you may order replacements through the Golf Link website. Cost is \$5. Alternatively, we can assist you to order a replacement card if you have no access to the internet.

TIPS FOR PACE OF PLAY

This document has been compiled to encourage golfers to improve their pace of play on the course. The following are common sense guidelines which, if you follow will improve your pace without sacrificing your enjoyment of the game.

PRIOR TO TEEING OFF

- Pay for your game and collect your score card at least 15 minutes earlier than your scheduled hit off time.
- Ensure that you have all the necessary equipment, such as balls, tees, sand bucket, divot repairers, scorecard and pencil.
- Arrive at the first tee five minutes prior to your allocated tee off time.

ON THE COURSE

- All players must maintain their place in the field, which is immediately behind the group in front and not ahead of the group behind. This is a group responsibility and not an individual one.
- All members should be proactive in addressing the slow play problem.
- Should your group fall a clear hole behind (e.g. you are on the tee of a four or five par hole and the previous group has already left the green) and it is delaying the group behind please invite the group behind to play through (irrespective of the number of players in that group).
- No more than three minutes is allowed to search for a ball. If you can't find your ball in 3 minutes you must proceed by enforcing the golf rules governing the conditions under which your ball was lost. If more than one ball needs to be found, split up and search for all the balls at the same time.
- If you hit a ball that you think may be hard to find, or it may be out of bounds, please hit a provisional ball.
- Go to your ball and get ready to hit your next shot as soon as it is feasible; i.e., not impeding another player's shot or endangering yourself. Don't always wait for your mate to play before going to your ball.
- Short hitters to tee off first
- Walking briskly between shot
- Leaving your golf bag, buggy or cart strategically placed to side of the green nearest the next tee.
- Cart users should be particularly aware of the extra time taken in sharing a cart and look for ways to speed up play, for example, move ahead of walkers to look for possibly lost balls, try to position the cart for easy access when leaving the green to reduce the number of times that you have to get in and out.
- Always conduct yourself in a disciplined manner. Try and demonstrate courtesy and sportsmanship at all times, irrespective of how competitive you may be – this is essentially the SPIRIT OF THE GAME.

ON THE GREEN

- When you reach the green, move to your ball and repair any pitch marks. Where possible, line up your putt prior to your turn to putt.
- If your ball needs to be marked, the do it as quickly as you can. Anticipate the requirements of your fellow player. Move back and line up your putt.
- Except in match play, and where you will stand on someone else's lie, when you start putting, continue until you have holed out. If playing a par or Stableford event and you can no longer score on that hole, pick up your ball and let others continue.
- The first player to finish putting should take control of the flag and be ready to replace it in the hole when the final player has completed the hole.
- Players should proceed to the next tee without delay. The following group should be waiting to play their approach shots, so the path taken to the next tee should be borne in mind. Think ahead; leave your cart or buggy in a place where you won't be hindering the following players.

MARKING CARDS

Cards should be marked as quickly as possible after completing the hole, but it is best to mark the cards at the next tee. Please mark your card when it is not your turn to play and remember, at all times your place in the field is immediately behind the group in front and not in front of the group behind.
